

## *Other Funding Sources*

### *Private Funding*

Schools can receive private funding from grants and donations from businesses, and service clubs.

### *Grant Funding*

There are multiple non-governmental institutions that provide grants to public entities as part of their philanthropic mission. Grants are one-time infusions of cash into a district budget and are not generally a reliable or sustainable funding source; more often grants are made available for purchase of devices rather than for underlying services.

### *NEED HELP?*

We're pros at helping teachers find the right funding for educational and safety tools. We're here to help if you need assistance in choosing the right funding for your school. Reach out to your rep for more information.
